

Sharanya Bhat

BSc Data Science Student | Aspiring Data Scientist
India

Email: bhatsharanya43@gmail.com | LinkedIn: www.linkedin.com/in/sharanya-bhat-494083282 | GitHub: [shxnya](https://github.com/shxnya)

Career Objective

Motivated BSc Data Science student with hands-on experience in data analysis, visualization, and basic NLP. Seeking internship opportunities to apply analytical and machine learning skills.

Education

Bachelor of Science (BSc) – Data Science
St Aloysius (Deemed to be university), Mangalore

Technical Skills

Programming: Python, SQL
Data Analysis: Pandas, NumPy
Visualization: Matplotlib, Power BI
NLP: Sentiment Analysis, TextBlob, WordCloud
Tools: VS Code, GitHub, Excel

Internship Experience

Data Science Intern – Future Interns

- Performed student feedback analysis using Python
- Calculated satisfaction scores and sentiment insights
- Created visualizations and word clouds

Projects

Student Feedback & Satisfaction Analysis

- Analyzed survey data and derived insights
- Applied sentiment analysis on feedback text
- Tools: Python, Pandas, Matplotlib, TextBlob

Certifications

Certificate in AI & Machine Learning – Alison
Mastering E-commerce- St Aloysius(Deemed to be University)
